

Product Bulletin

01/25/2017

Products: Spektrum™ SPM4649T Remote Serial Receiver

This Bulletin does not apply to SPM4649T receivers with PID numbers SH612X and SH7**X and above. For those receivers, the specifications in the manual are correct.

Issue: It has come to the attention of Horizon Hobby, LLC that the maximum voltage to the Spektrum SPM4649T remote serial receiver should **NOT** exceed 7.5 volts.

Horizon disclaims all liability and warranties for any consumer who fails to act upon this bulletin. We apologize for this inconvenience. If you have any questions, please call Horizon Hobby Product Support at 877-504-0233.
